Career Objective

Aspiring computer science professional eager to begin my career in a forward-thinking organization. I aim to leverage my technical skills and passion for problem-solving while contributing to innovative projects. I seek an environment that encourages continuous learning and supports professional development, allowing me to grow both personally and professionally.

Educational Details

- **Bachelor of Technology in Computer Science and Engineering**
  - Vellore Institute of Technology, Amaravati, A.P
  - Year of Study: 2024-present
- **Intermediate (MPC)**
  - Ascent Classes, Vishakhapatnam, A.P
  - Year of Study: 2022-2024
  - Pass Percentage: 97.1%
- **10th Class (ICSE)**
  - St. Joseph's Secondary School, Vishakhapatnam, A.P
  - Year of Study: 2022
  - Pass Percentage: 96.3%

Technical Skills

- **Programming Languages**:
  - C Programming
  - Python
- **Web Development:**
  - HTML
  - Basic of CSS
- **Tools:**
  - MATLAB

Soft Skills

- Critical Thinking and Problem Solving
- Communication Skills
- Team Management

Projects

- **30 Days of Coding Challenge** [On-Going] **on Hacker Rank**:
  Completed a 30-day coding challenge on Hacker Rank, focusing on Python to improve algorithmic thinking and problem-solving skills.
- **MATLAB On Ramp Course**:
  Earned MATLAB certification through the On-Ramp course, developing foundational skills in data visualization and analysis.
